Sir:

The referenced application was allowed in an Office Communication dated August 5, 2004. In the Office Communication, it was indicated Applicant was not entitled to small entity status, and thus an issued fee in the amount of \$1630.00 was due. Applicant respectfully submits small entity designation contained in the Office Communication was made in error. As per the enclosed copy of Applicant's Patent Application Transmittal dated June 22, 2001, Applicant indicated it was entitled to small entity status. Applicant's status as a small entity has not changed. Applicant accordingly respectfully submits it is entitled to small entity fees, and therefore a small entity issue fee in the amount of \$665.00 is submitted with its Fee Transmittal Form PTOL-85. In view of the foregoing, Applicant requests the small entity issue fee payment be accepted and the referenced application issued as a United States Letters Patent.

Respectfully submitted,
